**MANDATORY CASH OFFER BY CORPORATION FINANCIÈRE EUROPÉENNE S.A. ("CFE")
FOR
CIP MERCHANT CAPITAL LIMITED ("CIP")**

ACCEPTANCE LEVEL UPDATE

1 Background

On 14 January 2022, CFE unconditionally agreed to acquire 1,091,000 CIP Shares at a price of 55 pence per CIP Share from a single shareholder (the "Acquisition").

As a result of the Acquisition, under Rule 9 of the Takeover Code, CFE made a mandatory cash offer (the "Original Offer") for the CIP Shares not already held by CFE (or any persons acting in concert with it), at a price of 55 pence per CIP Share (such price being no less than the highest price paid by CFE (or any persons acting in concert with it) for any CIP Share during the 12 months prior to the date of the Rule 2.7 Announcement).

The full terms of, and condition to, the Original Offer and the procedures for acceptance set out in the offer document dated 31 January 2022 (the "Original Offer Document").

On 16 March 2022, CFE announced the terms of an increased and final cash offer for the CIP Shares not already held by CFE (the "Increased Offer") (or any persons acting in concert with it), at a price of 60 pence per CIP share.

An offer document containing details of the terms and condition of the Increased Offer (the "Increased Offer Document"), together with updated Forms of Acceptance (the "Forms of Acceptance"), was published and posted to CIP Shareholders on 18 March 2022.

Defined terms used but not defined in this announcement have the same meanings as set out in the Original Offer Document.

2 Condition to the Offer

The Increased Offer is conditional upon valid acceptances being received by CFE in respect of such number of CIP Shares which, together with CIP Shares acquired, or agreed to be acquired, by CFE (whether pursuant to the Offer or otherwise) would result in CFE holding more than 50 per cent. of CIP's voting rights.

The Increased Offer is subject to the Acceptance Condition and the further terms set out in Part II of the Original Offer Document.

3 Level of acceptances

In accordance with Rule 17 of the Code, CFE announces that, as at 1.00 p.m. on 21 March 2022, valid acceptances of the Increased Offer had been received in respect of 696,805 CIP

Shares, representing 1.95 per cent. of the CIP Shares to which the Increased Offer relates, which CFE may count towards the satisfaction of the Acceptance Condition.

So far as CFE is aware, none of these acceptances had been received from persons acting in concert with CFE.

In addition, CFE holds 19,438,621 CIP Shares, representing approximately 35.34 per cent. of CIP's issued ordinary share capital.

In aggregate, CFE either owns or has received valid acceptances in respect of 36.61 per cent. of the issued share capital of CIP.

CIP Shareholders are reminded that, as a summary and subject to the fuller description in the Original Offer Document, the Acceptance Condition shall be satisfied should CFE receive valid acceptances and/or acquire or agree to acquire CIP Shares which carry more than 50 per cent. of the voting rights then exercisable at a general meeting of CIP.

Interests in relevant securities

As at close of business on 21 March 2022, being the latest practicable date prior to publication of this announcement, CFE had an interest in 19,438,621 CIP Shares, representing approximately 35.34 per cent. of the CIP Shares in issue.

Save as disclosed above, as at 21 March 2022, neither CFE, nor any of the Directors of CFE nor any of such directors' related parties, nor any person acting in concert with CFE held any interest in, or right to subscribe for, or any short position in, including any short position under a derivative in relation to, is party to, any agreement to sell or has any delivery obligation or right to require another person to purchase or take delivery of, any relevant securities of CIP, nor, save for any borrowed shares which have either been on-lent or sold, had borrowed or lent any relevant securities of CIP (including for these purposes any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the City Code), nor has any such person dealt in relevant securities of CIP during the disclosure period.

4 Procedure for acceptance of the Increased Offer

Acceptances of the Original Offer shall be deemed to be acceptances of the Increased Offer in accordance with paragraph 4 of Section B of Part II of the Original Offer Document. Therefore, CIP Shareholders who have already validly accepted (and not validly withdrawn) their acceptance of the Original Offer are not required to take any further action in respect of the Increased Offer.

CIP Shareholders who have not yet accepted the Increased Offer are urged to do so by the following deadlines:

- **If you hold CIP Shares in certificated form (that is, not in CREST)**, you should complete and return the Form of Acceptance as soon as possible and in any event so as to be received by the Receiving Agent at Link Group, Corporate Actions, Central Square, 29 Wellington Street, Leeds LS1 4DL no later than 1.00 p.m. on 1 April 2022.
- **If you hold your CIP Shares in uncertificated form (that is, in CREST)**, you should ensure that an electronic acceptance is made by you or on your behalf and that settlement is made no later than 1.00 p.m. on 1 April 2022.

Full details on how to accept the Increased Offer are set out in the Original Offer Document, a copy of which is available on CFE's website at <https://cfe-finance.com/public-documents/>, and are set out in the Increased Offer Document.

5 Compulsory acquisition, de-listing and re-registration

If the Increased Offer becomes, or is declared, unconditional and CFE has by virtue of its shareholdings and valid acceptances of the Increased Offer, acquired or agreed to acquire CIP Shares carrying at least 75 per cent of the voting rights attaching to the share capital of CIP, CFE intends to procure that CIP will make an application for the cancellation of admission to trading of the CIP Shares on AIM.

It is anticipated that the cancellation of admission to trading on AIM will take effect no earlier than 20 Business Days after either: (a) the date on which CFE has fulfilled the Cancellation Requirement; or (b) the first date of issue of compulsory acquisition notices under Part XVIII of the Companies Law, as applicable. CFE will notify CIP Shareholders when the Cancellation Requirement has been satisfied and confirm that the 20 Business Day notice period has commenced and the anticipated date of cancellation.

The cancellation of the admission to trading on AIM of the CIP Shares would significantly reduce the liquidity and marketability of any CIP Shares in respect of which valid acceptances of the Increased Offer have not been submitted at that time and their value may be affected as a consequence. Any remaining CIP Shareholders would become minority shareholders in a privately controlled company and may be unable to sell their CIP Shares and there can be no certainty that any dividends or other distributions shall be made by CIP, or that the CIP Shareholders shall again be offered as much for the CIP Shares held by them as under the Increased Offer.

If CFE receives valid acceptances under the Increased Offer in respect of, or otherwise acquires, 90 per cent in value of the CIP Shares to which the Increased Offer relates, CFE intends to exercise its rights pursuant to Part XVIII of the Companies Law to acquire compulsorily the remaining CIP Shares in respect of which the Increased Offer has not been accepted on the same terms as the Increased Offer.

Disclosure requirements of the Takeover Code on Takeovers and Mergers

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent or more of any class of relevant securities of an CIP company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. If you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure, you should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129.
